PRESS RELEASE

SpeedFerries; Winner of 'Best Ferry Operator' Travel Award 2006

Low cost fast ferry operator SpeedFerries, has won the "Best Ferry Operator" 2006 award, at the Guardian, the Observer and Guardian Unlimited Travel Awards 2006.

The Guardian, the Observer and Guardian Unlimited asked their readers to rate the quality of service they received on their holidays. Readers voted SpeedFerries' service the best in the UK ferry industry, especially SpeedFerries fair pricing structure which won many of the votes.

This is SpeedFerries' second award since the opening of its fast ferry service just over 2 years ago. Last year SpeedFerries won the "Best European Crossing Operator" award at the Telegraph Travel Awards.

SpeedFerries continues its commitment to offer cross-Channel prices at an acceptable level and provide a high quality, low cost ferry service for its customers. SpeedFerries was the first Dover Strait operator to introduce an online booking management service, enabling its customers to book and change their tickets online.

The SpeedFerries' team is delighted and honoured to win this award and would like to extend its thanks to all those readers who voted for SpeedFerries and all its customers for their continuous help and support with our high quality, low cost ferry concept.
