PRESS RELEASE

SpeedFerries introduces new products due to customer demand

Cross-Channel prices have been reduced by more than 50% since SpeedFerries started operations. Whatever the ferry industry claims, the fact is that the opening of the SpeedFerries low cost fast ferry service between Dover and Boulogne is the real reason for the dramatic reduction in ticket prices on the Channel. SpeedFerries is proud of this and know that all Cross-Channel customers appreciate this achievement.

Owing to customer demand and to demonstrate our long-term commitment to low-cost fares, SpeedFerries has decided to introduce a new 10-trip SuperVoucher for Frequent Travellers and a 36-Hour Ticket for travellers spending a day or an overnight stay in France.

New Frequent Traveller 10-one-way trip SuperVoucher™
Price £190 for a std car + 5

SpeedFerries is introducing a SuperVoucher, which is an excellent offer for all Frequent Travellers. The SuperVoucher incorporates 10 single or 5 return trips for a Standard car+5 and is valid for two years from the date of purchase. No fees apply when a ticket is activated (via call centre) for a specific departure. A £10 amendment fee will apply if a fixed reservation is changed to an alternative sailing at a later stage, but there will be NO change in the ticket price, even if the booking is changed to the most expensive peak summer sailings. There are no restrictions on the duration of stay or sailing (subject to space availability).

36-Hour Ticket offer for day or overnight visits to France
Price £25 return for a std car +5

The new 36-Hour Ticket is a great offer for travellers wanting to spend a day or an overnight stay in the charming old town of Boulogne. The port offers free car parking and is linked directly to the town centre by a pedestrian walkway. The 36-Hour Ticket must be booked as a normal return ticket. If the check-in for the return journey is within 36 hours, the credit card used to purchase the ticket will be credited back with 50% of the initial payment. The 36 hours are counted from outbound departure to return departure (local time). A £10 amendment fee applies if the reservation is changed. This offer cannot be used in combination with other special offers.

Sincerely yours,
Curt Stavis
Chief Executive Officer
