PRESS RELEASE

**SpeedFerries introduces special 36-Hour Ticket offer
Ideal for Christmas Shopping in France**

36-Hour Ticket from £20 return for a standard car + 5

SpeedFerries' new 36-Hour Ticket is ideal for a short visit to France at low cost. Prices start at £20 return for a standard car and up to 5 passengers. The 36-Hour Ticket allows for plenty of time to enjoy a relaxing day of shopping, sightseeing and dining in Boulogne. The 36 hour duration even allows for customers to stay overnight.

SpeedFerries crosses the Channel in just 55 minutes and docks in Boulogne port, which offers free parking and is directly connected to the town centre by a pedestrian walkway.

Customer demand creates new product

SpeedFerries is introducing the special 36-Hour Ticket offer due to high customer demand. This ticket allows for enough time to shop in specialty stores and hypermarkets and still have the opportunity to visit one of the many local restaurants for dinner and stay overnight in one of Boulogne's many charming hotels.

Christmas shopping in Boulogne

Boulogne has much to offer this Christmas. Several specialty shops will stay open on selected Sundays until Christmas. Also, Boulogne hosts events such as the Herring Festival on 18-19 November, the St. Nicolas Parade on Saturday 2nd December and the annual Christmas Market taking place during the second weekend in December.

Award winning fast ferry service

SpeedFerries recently won the "Best Ferry Operator" award 2006 at the Guardian, the Observer and Guardian Unlimited travel awards. SpeedFerries is pleased to continue its commitment to offer attractive deals to cross-Channel travellers. Like all SpeedFerries' tickets, the 36-Hour ticket can be booked and changed online easily and convenient through SpeedFerries' new online booking management service, which provides great flexibility and enables customers to completely manage their bookings online.
