PRESS RELEASE

**SpeedFerries Celebrates its 3<sup>rd</sup> Birthday**  
**with a 2 for 1 Offer**

SpeedFerries takes great pleasure in announcing its 3<sup>rd</sup> Birthday on 19 May and is offering a celebratory free Midweek trip for customers who book during the Birthday period (10 - 24 May) for travel before 30 June 2007.

**The First Three Years - It Hasn't been all Plain Sailing**

Since its inception in May 2004, SpeedFerries, a web-based company, has taken on the stiffest of competition from some of the most time-honoured companies in the cross-Channel Ferry industry and yet has successfully established its low cost concept. Not only has SpeedFerries delivered on its promise to offer crossings that are 50% faster and 50% cheaper since entering the industry, they have also made an historic move to their new and exclusive home in the Dover Hoverport.

SpeedFerries was voted "Best European Crossing Operator" in 2005 and "Best Ferry Operator" in 2006. Both of these achievements can be attributed to the unique relationship that SpeedFerries holds with its customers – providing the best possible service while ensuring customers are treated honestly and fairly.

SpeedFerries has big plans for the future... watch this space...
